Dear Colleagues,

It is with great pleasure that we announce MUSKCON 2013, the annual conference of Medical Ultrasound Society of Karnataka. We have endeavoured to address the basics of Imaging in Obstetrics & Gynecology and in General abdomen keeping an eye on applicability in day to day practice. Enough time is allotted for live demonstration.

The conference topics are being dealt by dedicated and accomplished specialists who have logged in many years of experience. Special efforts have been put in to make the sessions as interactive as possible.
