

Date: Sunday, 6th March, 2022

Venue : Fortune Park JP Celestial 54/3 Race Course Road Bangalore 560009 Dear colleagues,

It is with great pleasure that we announce our onsite annual conference, MUSKCON 2022, scheduled to be held on 6th March 2022 at Fortune Park JP Celestial, Bangalore.

The content of this one-day event is briskly paced as most of the topics are short and focused. The session on 'How to differentiate' includes a selection of ultrasound look-alikes and will bring out the imaging findings which will help sort out the differential diagnoses. An entire session has been devoted to counselling of common conditions. Interesting debates, discussion of case scenarios, sessions on pitfalls and lectures on some niche topics makes this conference interactive and engaging.

We invite you to be a part of MUSKCON 2022.
